**District Need to Resource Capacity Category** 

N/RC Category	Description
5	This is a school district with average student needs in relation to district resource capacity.

**Similar School Group and Description** 

Similar School Group	Description		
32	All schools in this group are middle level schools in school districts with average student needs in relation to district resource capacity. The schools in this group are in the middle range of student needs for middle level schools in these districts.		

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).

<sup>\*</sup>The number and percentage of students who left a program leading to a high school diploma and entered a program leading to a high school equivalency diploma.

(Form - C)

<sup>\*\*</sup>Beginning with students who first entered grade 9 in 2001–02, students may earn a Regents diploma by passing (scoring 65–100) Regents exams in five areas and meeting course requirements. To earn a Regents diploma with advanced designation, the student must pass eight Regents exams.
