### District Need to Resource Capacity Category

N/RC Category	Description
2	This is one of the large city school districts; Buffalo, Rochester, Syracuse, or Yonkers. All these districts have high student needs relative to district resource capacity.

### Similar School Group and Description

Similar School Group	Description
6	All schools in this group are elementary level schools in large cities other than New York City. The schools in this group are in the higher range of student needs for elementary level schools in these districts.

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).
