District Need to Resource Capacity Category

N/RC Category	Description
3	This is an urban or suburban school district with high student needs in relation to district resource capacity.

Similar School Group and Description

Similar School Group	Description
45	All schools in this group are secondary level schools in urban or suburban school districts with high student needs in relation to district resources. The schools in this group are in the higher range of student needs for secondary level schools in these districts.

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).

*Only students awarded local diplomas (including local diplomas with Regents endorsements) are counted as high school graduates. Because of a change in data collection procedures during the 2001–2002 school year, diploma counts and percentage of graduates earning Regents diplomas are not necessarily comparable between years. Data for the 2000-2001 school year include January, June and August 2001 graduates; data for the 2001-2002 school year include January and June 2002 graduates; data for the 2002–2003 school year include August 2002 and January and June 2003 graduates.
