District Need to Resource Capacity Category

N/RC Category	Description
5	This is a school district with average student needs in relation to district resource capacity.

Similar School Group and Description

Similar School Group	Description
NA	NA

All schools within the same N/RC category are divided into three similar school groups defined by the percentage of students in the school who are eligible for the free-lunch program and/or who are limited English proficient (also known as English language learners).

^{*}Only students awarded local diplomas (including local diplomas with Regents endorsements) are counted as high school graduates. Because of a change in data collection procedures during the 2001–2002 school year, diploma counts and percentage of graduates earning Regents diplomas are not necessarily comparable between years. Data for the 2000-2001 school year include January, June and August 2001 graduates; data for the 2001-2002 school year include January and June 2002 graduates; data for the 2002–2003 school year include August 2002 and January and June 2003 graduates.
