

A Quick Guide: Creating and Entitling L2RPT Users

New York State Education Department
February 2015

This page intentionally left blank.

Introduction

The L2RPT Application is currently not available in the NYSED Application Business Portal. However, in order to assure compliance with NYSED security policy, the User ID/username and the passwords are created and stored within the NYSED Application Business Portal. For Delegated Administrators already familiar with SEDDAS (State Education Department Delegated Account System), little is substantially different when creating an account for L2RPT.

To be useful to all users, those familiar and those unfamiliar with SEDDAS, this guide will provide a brief review of the Creating and Entitling functions, as well as an explanation of the unique features specific to the L2RPT entitlement process. More detailed information concerning Creating and Entitling can be found in the SEDDAS User Guide.

This page intentionally left blank.

Sign In

Go to The NYSED Business Application Portal at: portal.nysed.gov

Log on

Different Users have different applications available to them; Delegated Administrators (DA's) have access to SEDDAS. Only a DA can grant access to applications. Select SEDDAS from the list of applications.

This page intentionally left blank.

Create a User

Once you have signed into SEDDAS, use the menu on the left to begin your work. Click where it says Create User. Follow the on-screen prompts. You are not done until you receive the message saying, "User is created successfully." Now, you must still entitle the user to the L2RPT application.

When you click on Entitlements, it defaults to Entitle-Rest Of Applications. This where you want to be when entitling L2RPT. Enter User ID or Last Name and click the GO button.

If more than one user is shown, select the user by clicking on the radio button that precedes the name, and click on the button.

Next, select the applications you want the user to be able to access. Click .

Entitle a User

There are five roles for L2RPT:

- **Free and Reduced Lunch:** this Role grants access to the Free and Reduced Price Lunch Eligibility verification report.
- **L2RPT:** this Role grants access to verification reports containing student enrollment, demographic, assessment and course data for accountability, assessments, enrollment, CTE, WATN, TSDL.
- **Staff Evaluations:** this Role grants access to the Staff Evaluation verification report.
- **Staff Human Resource Data:** this Role grants access to verification reports containing staff data other than evaluation that may be viewed as human resource related (Staff Snapshot, Staff Tenure).
- **Staff Data – Other:** this Role grants access to verification reports containing staff data other than human resource and evaluation.

Indicate all the Roles the user should be granted by checking (✓) the corresponding box and click the  button.

The screenshot shows a web browser window with the title "Delegated Account System". The page content is as follows:

- Free and Reduced Lunch Data
- L2RPT
- Staff Data - Other
- Staff Evaluations
- Staff Human Resource Data

<< Back Next >>

On the next page, after confirming the information is correct, select . The user will now have access to the L2RPT application.

What is different about L2RPT?

The primary difference is SEDDAS must be used to create, entitle, and reset passwords, but, the application must be accessed through the website of the RIC with which the entity is affiliated. **Users must sign in at their RIC's Website (COGNOS).**

When signed in at The NYSED Application Business Portal, users that have access to other applications through the portal will NOT see L2RPT, only their other applications. See example below:

The screenshot shows the NYSED Business Application Portal. At the top, there are links for "Reset Password" and "Change Password". Below that, it says "Welcome Andy Example" and a "Search" button. The main heading is "The NYSED Business Application Portal" with a link to "CLICK HERE for new Password Change procedures for some applications". A grey bar labeled "Applications" contains a "Notice:" in red text: "If the Superintendent or Principal has Changed (DOES NOT APPLY to SUMMER SCHOOL PRINCIPALS)". Below the notice is a blue link "Click Here". A red arrow points from this link to the "BEDS-IMF-VADIR Application" link, which is underlined. Below that is the text "State Education Department Delegated Account System (SEDDAS)".

However, SEDDAS users can use the Search function, this will show whether or not the user has been entitled to L2RPT, as shown below:

The screenshot shows the SEDDAS application interface in a Mozilla Firefox browser window. The page title is "NYSED - SEDDAS - Mozilla Firefox". The browser address bar shows "https://eservice1.nysed.gov/seddas/actions/searchActionType.do". The page header includes the University of the State of New York State Education Department logo and the title "Delegated Account System".
