

Summary of Conference

The NYS CDOS Commencement Credential is awarded in recognition of each individual student's preparation and skills for post-school employment.

These conferences will present key information for schools and families to support opportunities for students to engage in knowledge and skills development and work-based learning experiences to prepare them for entry level work.

The New York State Career Development and Occupational Studies (NYS CDOS) Commencement Credential Conferences

The New York State Education Department (NYSED), P-12: Office of Special Education and the Career and Technical Education Office are pleased to announce conferences designed to provide school personnel, parents, teachers and students with information on the NYS CDOS Commencement Credential for students with disabilities.

Overview of the Conference

This conference is designed to deepen all stakeholders' understanding of the program components that will support and guide each student to the attainment of the NYS CDOS Commencement Credential. Key information regarding requirements, workplace expectations, work safety, career planning, CDOS learning standards, coursework and work-based learning experiences will be provided to ensure each person understands his or her role in the preparation of students with disabilities for entry level employment.

Committee on Special Education chairpersons and school administrators, teachers, parents, students, employers and all partners in this new endeavor are welcome to attend. Consult the registration contact information to attend a conference in your region.

Conference Topics

This conference will provide information on the following topics:

- ⇒ ***Overview of Requirements;***
- ⇒ ***Workplace Expectations from the Employer's Perspective;***
- ⇒ ***Career Plan/CareerZone;***
