**Cornell University
Cooperative Extension
Jefferson County**

GIVE & TAKE

Creating Successful Community Partnerships will use three programming examples to demonstrate that the creation of lasting relationships must be valuable for all involved partners. Let's face it, resources are dwindling, so if there is a way to work together to achieve similar goals, it should benefit everyone involved. Your approach to community partnerships changes today!

Maintaining & Developing the Partnership

Continue to explore new ways to meet the needs of both parties

- Working together to develop programs may lead to new opportunities.

Coming together is a beginning; keeping together is progress; working together is success.

-Henry Ford

Example of partnership

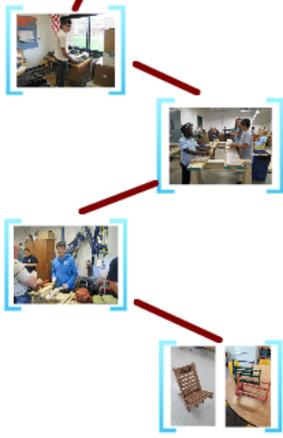

Through work with three different programs we believe we've reached a balance in our "give & take" relationship!

Belleville Engravers Lyme High Tunnel Comet Design Co

Sullivan Engravers (an ESD/SVP Program)

Partners: Belleville Henderson CSD, Cornell Cooperative Extension, Technology Teachers, Students

Common Goals: Entrepreneurship Education; Access to technology, sustainable programming

Lyme High Tunnel (an ESD/SVP Program)

Partners: Lyme CSD, Cornell Cooperative Extension, MS Ag in the Classroom, Science Teachers, Community Members

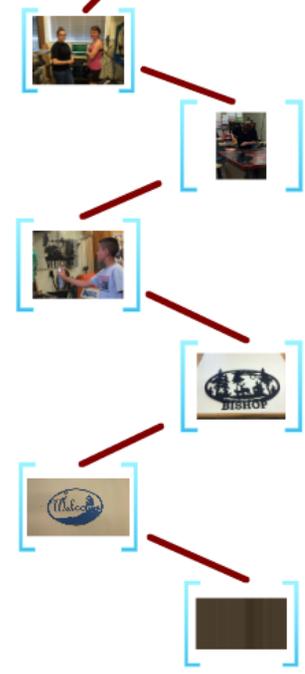

Common Goals: Garden Based Learning (K-12), Agricultural Literacy, Healthy Cooking

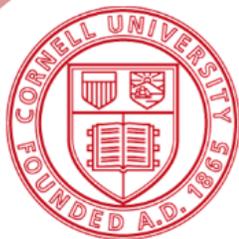

Comet Design Co. (a 21st Century Program)

Partners: Carthage CSD, Cornell Cooperative Extension, Technology Teachers

Common Goals: Entrepreneurship Education, Access to technology, sustainable programming
