Name of person(s) and role(s) completing Action Plan:  

Recently your agency received an on-site monitoring visit by the 21st CCLC Technical Assistance Resource Center (TARC) and the following indicators were found to be partially and/or not compliant. Please outline an action plan describing how your program will address the indicator(s) and bring them into compliance. Submit the action plan, along with any supporting documentation, to the TARC and NYSED within 30 days of receiving the report. Additionally, let your TARC know if you need any technical assistance in completing work towards this indicator; they would be happy to offer assistance if needed.
