## Afterschool Management Software

**EZReports** is a powerful and comprehensive web-based software for managing grant-funded afterschool programs. EZReports meets the data collection and reporting requirements of the Federal 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) programs. EZReports is being used by several State DOEs to manage their 21<sup>st</sup> CCLC program statewide. The NYSED has also chosen EZReports as data collection and reporting software for the State of New York. Please visit [ezreports.org](https://www.ezreports.org) for more information.
