II. INTRODUCTION

The My Brother's Keeper Fellows program (MBKFP) is one of the initiatives initially established under an initiative of the Board of Regents to increase the academic achievement and college and career readiness of disadvantaged youth, particularly boys and young men of color. For the purposes of this RFA a 'boy or young man of color' includes male students in NYS public schools who are identified in their school records with race/ethnicity described as Black or African American, Hispanic/Latino, Asian, Native Hawaiian or another Pacific Islander, or American Indian, or Alaska Native; or two or more races/ethnicities. School districts are

required to ensure that the official school record accurately identifies the student in the category that the student has identified and not a category identified by a school or district official.

III. PURPOSE, PROGRAM COMPONENTS, AND MY BROTHER'S KEEPER MILESTONES

The purpose of the My Brother's Keeper Fellow's Program (MBKFP) is to provide rising 12th grade high school students, with an emphasis on boys and young men of color, with opportunities to gain authentic leadership experience(s) and develop service projects beneficial to the schools they attend and the communities they live in. The Department will fund grants to New York State Education Department recognized My Brother's Keeper (MBK) communities to address the following program components. All components take place during the Fellows' 12th grade year unless otherwise noted.

- A. Each NYSMBK Fellow will gain an authentic leadership experience by participating in one 10-month fellowship in local government and/or education and/or business.
- B. Each NYSMBK Fellow will have a mentor currently employed with one of the partners. (Strategies for mentoring are outlined by the [New York State Education Department My Brother's Keeper Guidance Document: Emerging Practices for Schools and Communities.](#))
- C. Each NYSMBK Fellow will develop a service project related to one of the New York State MBK Milestones with the partner that would benefit the school and/or community. The six NYS MBK Milestones are:
 1. Ensuring equitable access to high quality schools and programs;
 2. Expanding prevention, early warning, and intervention services;
 3. Using differentiated approaches based on need and culture;
 4. Responding to structural and institutional racism;
 5. Making comprehensive and coordinated support services widely available; and
 6. Engaging families and communities in a trusted and respectful way
- D. Fellows and their mentors will participate in a series of events and workshops, including the following:
 1. Newly selected 11th grade students and their mentors will participate in the annual New York State Education Department (NYSED) My Brother's Keeper (MBK) Statewide Symposium to be held in the spring of 2022. Each student will participate in the MBK Fellows induction ceremony.
 2. Each Fellow and mentor (or school district representative) will participate in at least two (2) virtual masterminds (book studies) with the Assistant Commissioner of the Office of Access, Equity and Community Engagement Services or designee. Calls will be held on designated Thursday evenings at 6:00pm.
 3. Fellows and their mentors or school district representatives are required to attend the MBK Fellows Retreat expected to be held during the fall of the Fellows' 12th grade year.
 4. Each Fellow and mentor(s) will participate in the "Stand and Deliver" Workshop and Leadership Presentations.
 5. MBK Fellows and their mentors or a school district representative may be invited to participate in additional activities/opportunities that may arise during this grant period.

- E. During the program period, each Fellow will be provided opportunities to build communication and advocacy skills in preparation for becoming an MBK Program Ambassador. (Upon successfully completing the program, each MBK Fellow will become an MBK Program Ambassador, joining a statewide network of former Fellows who will engage as leaders in their local communities and provide input and feedback to state education department administrators, legislators, the NYS Board of Regents, municipal elected officials, and their peers, based on their Fellowship experiences.)

IV. RATIONALE AND GOALS

New York State, through actions by the Board of Regents, the Governor and Legislature, is the first in the nation to adopt a statewide version of My Brother's Keeper, an initiative from President Obama to boost the educational futures of disadvantaged youth, particularly young minority men and boys. As part of the national initiative launched in February 2014, My Brother's Keeper seeks to close the persistent gap in educational achievement and opportunity between disadvantaged youth, particularly young minority men and boys and their peers. The MBKFP has three goals:

1. An overarching goal is to encourage and support young men in making good choices, becoming more resilient, overcoming educational and community obstacles, and achieving their dreams in life, thereby improving their communities and the state. As far back as 1975, the Board of Regents adopted educational policies which seek to alleviate the achievement gaps of Native American students ([Position Paper #22](#)). The principles included in the Regents' nine directives sit firmly as the foundation for many of the activities which are now ideally to be implemented for all disadvantaged youth, particularly boys and young men of color.
2. While there has been slight improvement on educational measures of academic skills, one of the consistent features of any type of analysis has been and continues to be the significant opportunity gap between minority and non-minority students. The specific goal of the MBKFP Fellows Program is to address limited career exposure and close opportunity gaps by engaging participants in internships, work experiences, and service projects that build their knowledge and skills. The program's approach is to engage student leaders in meaningful experiences that expose them to the world of policy-making, legislation, community services, civic engagement, entrepreneurship and other valuable learning experiences. Each MBK Fellow will be partnered with a mentor to provide guidance and support.
3. An ultimate goal for the MBKFP is to create and sustain a statewide network of MBK Program Ambassadors—former Fellows who are engaged as leaders in their local communities and who provide input and feedback to state education department administrators, legislators, the NYS Board of Regents, municipal elected officials and their peers, based on their Fellowship experiences.

V. MY BROTHER'S KEEPER FELLOW'S PROGRAM (MBKFP) OBJECTIVES, STRATEGIES AND ACTIVITIES:

Through this application process, the eligible school districts must submit action plans on how either the local businesses or community-based organizations or postsecondary institutions they have identified to partner with plan to address components listed above in section III.

For each component, be sure to address the following:

Activities and Services

List and describe each activity and service that supports the achievement of each objective. Include required instructional, support, and advocacy services needed for staff, student, family and community member engagement and growth.

Staff Responsible: Indicate staff responsible for the implementation of each activity or service.

- Fellows and mentor(s) participation in the annual Fellows Retreat
- Fellows and mentor(s) participation in the "Stand and Deliver" Workshop and Leadership Presentations

IX. FUNDING LIMITATIONS AND METHOD OF DETERMINING AWARD AMOUNTS

A funding formula has been developed for the allocation of funds for eligible school districts providing that they respond to all requirements of this RFA in sufficient detail. Districts serving less than 10,000 students may select up to **two Fellows** for a maximum funding amount up to \$11,900 and districts serving more than 10,000 students may select up to **four Fellows** for a maximum funding amount up to \$23,800.

For an increase in available funding:

If all available funds are not allocated, or if new or additional funding becomes available, and NYSED chooses to distribute this funding to eligible entities, NYSED will allocate the additional funds proportionally among all existing programs based on their number of Fellows.

For a decrease in available funding:

A decrease in funding for any subsequent funding year will result in a proportional reduction to all funded districts based on total annual budget.

The State Education Department reserves the right to reject any application which does not comply with the goals and requirements of this grant opportunity.

XVII. Minority and Women-Owned Business Enterprise (M/WBE) Participation Goals Pursuant to Article 15-A of the New York State Executive Law

The following M/WBE requirements apply when an applicant submits an application for grant funding that exceeds \$25,000 for the full grant period.

All forms referenced here can be found in the M/WBE Documents section at the end of this RFA.

All applicants are required to comply with NYSED's Minority and Women-Owned Business Enterprises (M/WBE) policy. Compliance can be achieved by one of the three methods described below. Full participation by meeting or exceeding the M/WBE participation goal for this grant is the preferred method.

M/WBE participation includes services, materials, or supplies purchased from minority and women-owned firms certified with the NYS Division of Minority and Women Business Development. Not-for-profit agencies are not eligible for this certification. For additional information and a listing of currently certified M/WBEs, see the [NYS MWBE Directory](#).

The M/WBE participation goal for this grant is 30% of each applicant's total discretionary non-personal service budget each year of the grant. Discretionary non-personal service budget is defined as total annual budget, excluding the sum of funds budgeted for:

1. direct personal services (i.e., professional and support staff salaries) and fringe benefits; and
2. rent, lease, utilities, and indirect costs, if these items are allowable expenditures.

The M/WBE Goal Calculation Worksheet is provided for use in calculating the dollar amount of the M/WBE goal for this grant application.

All requested information and documentation should be provided at the time of submission. If this cannot be done, the applicant will have thirty days from the date of notice of award to submit the necessary documents and respond satisfactorily to any follow-up questions from the Department. Failure to do so may result in loss of funding.

METHODS TO COMPLY

An applicant can comply with NYSED's M/WBE policy by one of three methods:

1. Full Participation - This is the preferred method of compliance. Full participation is achieved when an applicant meets or exceeds the participation goals for this grant.

COMPLETE FORMS:

- M/WBE Fellows Goal Calculation Worksheet
- M/WBE Cover Letter
- M/WBE 100 Utilization Plan
- M/WBE 102 Notice of Intent to Participate

2. Partial Participation, Partial Request for Waiver - This is acceptable only if good faith efforts to achieve full participation are made and documented, but full participation is not possible.

COMPLETE FORMS:

- M/WBE Fellows Goal Calculation Worksheet
- M/WBE Cover Letter
- M/WBE 100 Utilization Plan
- M/WBE 101 Request for Waiver
- M/WBE 102 Notice of Intent to Participate
- M/WBE 105 Contractor's Good Faith Efforts

3. No Participation, Request for Complete Waiver - This is acceptable only if good faith efforts to achieve full or partial participation are made and documented, but do not result in any participation by M/WBE firm(s).

COMPLETE FORMS:

- M/WBE Fellows Goal Calculation Worksheet
- M/WBE Cover Letter
- M/WBE 101 Request for Waiver
- M/WBE 105 Contractor's Good Faith Efforts

GOOD FAITH EFFORTS

Applicants must make a good faith effort to solicit NYS certified M/WBE firms as subcontractors and/or suppliers to achieve the goals for this grant. Solicitations may include, but are not limited to: advertisements in minority and women-centered publications; solicitation of vendors found in the [NYS](#)

[Directory of Certified Minority and Women-Owned Business Enterprises](#); and the solicitation of minority and women-oriented trade and labor organizations.

Good faith efforts include actions such as setting up meetings or announcements to make M/WBEs aware of supplier and subcontracting opportunities, identifying logical areas of the grant project that could be subcontracted to M/WBE firms, and utilizing all current lists of M/WBEs who are available for and may be interested in subcontracting or supplying goods for the project.

Applicants should document their efforts to comply with the stated M/WBE goals and submit this with their applications as evidence. Examples of acceptable documentation can be found in form M/WBE 105, Contractor's Good Faith Efforts. NYSED reserves the right to reject any application for failure to document "good faith efforts."

REQUEST FOR WAIVER

When full participation cannot be achieved, applicants must submit a Request for Waiver (M/WBE 101). Requests for Waivers must be accompanied by documentation explaining the good faith efforts made and reasons they were unsuccessful in obtaining M/WBE participation.

NYSED reserves the right to approve the addition or deletion of subcontractors or suppliers to enable applicants to comply with the M/WBE goals, provided such addition or deletion does not impact the technical proposal and/or increase the total budget.

All payments to Minority and Women-Owned Business Enterprise subcontractor(s) should be reported to the NYSED M/WBE Program Unit using the M/WBE 104G Quarterly M/WBE Compliance Report. This report should be submitted on a quarterly basis and can be requested at MWBEGrants@nysed.gov.

NYSED's M/WBE Coordinator is available to assist applicants in meeting the M/WBE goals. The coordinator can be reached at MWBEGrants@nysed.gov.

Equal Employment Opportunity Reporting (EEO) Pursuant to Article 15-A of the New York State Executive Law

Applicants must complete and submit form EEO 100: Staffing Plan.

M/WBE Fellows Goal Calculation Worksheet

Project Name: My Brother's Keeper Fellows Program (MBKFP)

Applicant Name: _____

The M/WBE participation goal is 30% of each grantee's total discretionary non-personal service budget. Discretionary non-personal service budget is defined as the total budget, excluding the sum of funds budgeted for direct personal services (i.e., professional and support staff salaries); fringe benefits; the portion of the budget in purchased services representing stipends, student tuition, and financial assistance; indirect costs; room and board, if these are allowable expenditures.

For the purposes of the grant, the salary and fringe benefit exclusion applies to the expenses of the lead applicant as well as any approved partner organization. For example, the salaries of project staff employed by any approved partner should be excluded from the total budget, along with the lead applicant's project staff salaries, when calculating the discretionary non-personal service budget. Therefore, **lines 2-4 below will include any project salaries and fringe benefits of the lead applicant AND members of the partnership.** (Please note that the indirect costs of partner organizations are not allowable expenses under this grant program.)

Please complete the following table to determine the dollar amount of the M/WBE goal for this grant application.

	Budget Category	Amount budgeted for items excluded from M/WBE calculation	Totals (2021-2022 Project Total)
1.	Total Budget

5.	Portion of Purchased Services identified as Stipends or Student Tuition (Code 40)

APPENDIX A STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. **EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. **NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. **COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. **WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. **NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance

with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt

under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312

does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and
- (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5))) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("[Prohibited Entities List](#)").

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract; it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

Contractor shall adopt and maintain industry standard administrative, technical, and physical safeguards, measures, and controls to manage privacy and security risks and protect Protected Information in a manner that complies with New York State, federal and local laws, rules, and regulations.
- (b) Contractor may be required to undergo an audit of its privacy and security safeguards, measures, and controls, or in lieu of performing an audit, provide NYSED with an industry standard independent audit report on Contractor's privacy and security practices that is no more than twelve months old.

3. Contractor's Employees and Subcontractors.

- (a) Contractor shall only disclose Protected Information to Contractor's employees and Subcontractors who need to know the Protected Information to provide the Services and the disclosure of Protected Information shall be limited to the extent necessary to provide such Services. Contractor shall ensure that all such employees and Subcontractors comply with the terms of this DPA.
- (b) Contractor must ensure that each Subcontractor is contractually bound by a written agreement that includes confidentiality and data security obligations equivalent to, consistent with, and no less protective than, those found in this DPA.
- (c) Contractor shall examine the data privacy and security measures of its Subcontractors prior to utilizing the Subcontractor. If at any point a Subcontractor fails to materially comply with the requirements of this DPA, Contractor shall: notify NYSED and remove such Subcontractor's access to Protected Information; and, as applicable, retrieve all Protected Information received or stored by such Subcontractor and/or ensure that Protected Information has been securely deleted and destroyed in accordance with this DPA. In the event there is an incident in which the Subcontractor compromises

Protected Information, Contractor shall follow the Data Breach reporting requirements set forth herein.

- (d) Contractor shall take full responsibility for the acts and omissions of its employees and Subcontractors.
- (e) Other than Contractor's employees and Subcontractors, Contractor must not disclose Protected Information to any other party unless such disclosure is required by statute, court order or subpoena, and the Contractor makes a reasonable effort to notify NYSED of the court order or subpoena in advance of compliance but in any case, provides notice to NYSED no later than the time the Protected Information is disclosed, unless such disclosure to NYSED is expressly prohibited by the statute, court order or subpoena.
- (f) Contractor shall ensure that all its employees and Subcontractors who have access to Protected Information have received or will receive training on the federal and state laws governing confidentiality of such data prior to receiving access.

4. Data Return and Destruction of Data.

- (a) Contractor is prohibited from retaining Protected Information or continued access to Protected Information or any copy, summary or extract of Protected Information, on any storage medium (including, without limitation, in secure data centers and/or cloud-based facilities) whatsoever beyond the term of the Agreement unless such retention is either expressly authorized by the Agreement, expressly requested in writing by NYSED for purposes of facilitating the transfer of Protected Information to NYSED, or expressly required by law.
- (b) When the purpose that necessitated the receipt of Protected Information by Contractor has been completed or Contractor's authority to have access to Protected Information has expired, Contractor shall ensure that as applicable, all Protected Information (including without limitation, all hard copies, archived copies, electronic versions, electronic imaging of hard copies) as well as any and all Protected Information maintained on behalf of Contractor in a secure data center and/or cloud-based facilities that remain in the possession of Contractor or its Subcontractors is securely deleted and/or destroyed in a manner that does not allow it to be retrieved or retrievable, read or reconstructed. Hard copy media must be shredded or destroyed such that Protected Information cannot be read, or otherwise reconstructed, and electronic media must be cleared, purged, or destroyed such that the Protected Information cannot be

retrieved. Only the destruction of paper Protected Information, and not redaction, will satisfy the requirements for data destruction.

Redaction is specifically excluded as a means of data destruction.

- (c) Upon request by NYSED, Contractor may be required to provide NYSED with a written certification of the secure deletion and/or destruction of Protected Information held by the Contractor or Subcontractors to the contact and address for notifications set forth in the Agreement.
- (d) To the extent that Contractor and/or its Subcontractors continue to be in possession of any de-identified data (i.e., data that has had all direct and indirect identifiers removed), they agree not to attempt to re-identify de-identified data and not to transfer de-identified data to any party.

Data Breach.

- (e) Contractor shall promptly notify NYSED of any Breach of Protected Information in the most expedient way possible and without unreasonable delay, but no later than seven (7) business days after discovery of the Breach. Notifications required pursuant to this section must be in writing, given by personal delivery, e-mail transmission (if contact information is provided for the specific mode of delivery), or by registered or certified mail, and must to the extent available, include a description of the Breach which includes the date of the incident and the date of discovery; the types of Protected Information affected and the number of records affected; a description of Contractor's investigation; and the name of a point of contact. Notifications required by this section must be sent to NYSED at the contact provided for contract related notifications with a copy to the Chief Privacy Officer, NYS Education Department, 89 Washington Avenue, Albany, New York 12234.
- (f) Contractor agrees that it will cooperate with NYSED, and law enforcement where necessary, in any investigations into a Breach. Any costs incidental to the required cooperation or participation of the Contractor will be the sole responsibility of the Contractor if such Breach is attributable to Contractor or its Subcontractors.
- (g) Contractor shall promptly notify the affected individuals of any breach. Such notice shall be made using one of the methods prescribed by § 899-aa(5) of the New York General Business Law.

5. Termination.

The confidentiality and data security obligations of Contractor under this DPA shall continue for as long as Contractor or its Subcontractors retain Protected Information or access to Protected Information and shall survive any termination of the Agreement to which this DPA is attached.
