- (b) Contractor must ensure that each Subcontractor is contractually bound by a written agreement that includes confidentiality and data security obligations equivalent to, consistent with, and no less protective than, those found in this DPA.
- (c) Contractor shall examine the data privacy and security measures of its Subcontractors prior to utilizing the Subcontractor. If at any point a Subcontractor fails to materially comply with the requirements of this DPA, Contractor shall: notify NYSED and remove such Subcontractor's access to Personal Information; and, as applicable, retrieve all Personal Information received or stored by such Subcontractor and/or ensure that Personal Information has been securely deleted and destroyed in accordance with this DPA. - (a) Contractor is prohibited from retaining Personal Information or continued access to Personal Information or any copy, summary or extract of Personal Information, on any storage medium (including, without limitation, in secure data centers and/or cloud-based facilities) whatsoever beyond the term of the Agreement unless such retention is either expressly authorized by the Agreement, expressly requested in writing by NYSED for purposes of facilitating the transfer of Personal Information to NYSED, or expressly required by law.
- (b) When the purpose that necessitated the receipt of Personal Information by Contractor has been completed or Contractor's authority to have access to Personal Information has expired, Contractor shall ensure that as applicable, all Personal Information (including without limitation, all hard copies, archived copies, electronic versions, electronic imaging of hard copies) as well as any and all Personal Information maintained on behalf of Contractor in a secure data center and/or cloud-based facilities that remain in the possession of Contractor or its Subcontractors is securely deleted and/or destroyed in a manner that does not allow it to be retrieved or retrievable, read or reconstructed. Only the destruction of paper Personal Information, and not redaction, will satisfy the requirements for data destruction. Redaction is specifically excluded as a means of data destruction.
- (c) Upon request by NYSED, Contractor may be required to provide NYSED with a written certification of the secure deletion and/or destruction of Personal Information held by the Contractor or Subcontractors to the contact and address for notifications set forth in the Agreement.
- (d) To the extent that Contractor and/or its Subcontractors continue to be in possession of any de-identified data (i.e., data that has had all direct and indirect identifiers removed), they agree not to attempt to re-identify de-identified data and not to transfer de-identified data to any party.

5. Data Breach.

- (a) Contractor shall promptly notify NYSED of any Breach of Personal Information in the most expedient way possible and without unreasonable delay, but no later than

- (b) Contractor agrees that it will cooperate with NYSED, and law enforcement where necessary, in any investigations into a Breach. Any costs incidental to the required cooperation or participation of the Contractor will be the sole responsibility of the Contractor if such Breach is attributable to Contractor or its Subcontractors.
- (c) Contractor shall promptly notify the affected individuals of any breach. Such notice shall be made using one of the methods prescribed by § 899-aa(5) of the New York General Business Law.

6. Termination.

The confidentiality and data security obligations of Contractor under this DPA shall continue for as long as Contractor or its Subcontractors retain Personal Information or access to Personal Information and shall survive any termination of the Agreement to which this DPA is attached.
