

# INSTRUCTIONS – EXPECTED GRADES WITH ENROLLMENT FORM: 2020-21

## General Information:

Please complete the form as grades in your buildings would normally be configured and not according to your school reopening plan in response to COVID-19.

The Expected Grades with Enrollment form collects information about the grade levels a school will be reporting enrollment for on BEDS day for the 2020-21 school year. The purpose of the collection is to improve state-wide data quality for both state and federal reporting.

All public school districts (outside of New York city) and all charter schools are required to submit the **Expected Grades with Enrollment Form** online using the **IRS Data Exchange** application, available via the NYSED Business Portal at <http://portal.nysed.gov>.

Only the Superintendent of a School District or a Charter School CEO will be able to access and submit the Expected Grades with Enrollment form.

The Expected Grades with Enrollment online form will be available on **August 1, 2020** in the IRS Data Exchange. The online form should be completed and submitted to SED by **Friday, August 28, 2020**.
