About the NYSESLAT Participation for Recently Arrived ELL Students Reports

The NYSESLAT Participation for Recently Arrived ELL Students Reports show district and school counts of recently arrived English Language Learner (ELL) students, results for these students on the New York State English as a Second Language Achievement Test (NYSESLAT), counts not tested on the New York State Testing Program (NYSTP) test in English language arts (ELA), and counts not tested on the NYSTP but tested on the NYSESLAT.

Students are included in the report if they are reported with both an 0231 (ELL Eligible) and an 0242 (Eligible to Take the NYSESLAT for Grades 3-8 ELA Accountability) program service codes. Recently arrived ELL students are ELL-eligible students who on April 1 of the reporting year will have been attending school in the United States for less than one year. The one-year exemption window does not have to be 12 consecutive months. These students may use the NYSESLAT in lieu of the 3–8 NYSTP in ELA to meet the No Child Left Behind participation requirement for Adequate Yearly Progress in elementary/middle-level ELA. For more information, see “English Language Learner Students (ELLs)” in Chapter 2: Student Reporting Rules of the SIRS Manual at http://www.p12.nysed.gov/irs/sirs/home.html.
