Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (“#”) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (#) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as are reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (*“#”*) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the "#" symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (‘#’) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (*) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("*") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SiRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SiRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as are were reported in the SiRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (“#”) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the (“#”) symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas are as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SiRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SiRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SiRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2009-10 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2010 (2004, 2005 and 2006 Cohorts as of June 2010). Data for the 2006 Cohort as of August 2010 include August 2010 diplomas as were reported in the SIRS as of October 29, 2010.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.
