2. Please indicate below whether this is the first submission or an amended submission of an already approved Smart Schools Investment Plan.

First submission

3. Pursuant to the requirements of the Smart Schools funding, the planning process must include consultation with parents, teachers and students.

By checking the boxes below, you are certifying that you have engaged with those required stakeholders. Each box must be checked prior to submitting your Smart Schools Investment Plan.

- Parents
- Teachers
- Students

4. Certify that the following required steps have taken place by checking the boxes below: Each box must be checked prior to submitting your Smart Schools Investment Plan.

- The Smart Schools Investment Plan was posted on the school website for at least two weeks. The school included an address to which any written comments on the plan should be sent.
- The school board/trustees conducted a hearing that enabled stakeholders to respond to the Plan. This hearing may have occurred as part of a normal Board meeting, but adequate notice of the event must have been provided through the school website for at least two weeks prior to the meeting.
- The final proposed plan that has been submitted has been posted on the school's website and will remain for the duration of the related projects.

4a. Enter the webpage address where the final Smart Schools Investment Plan is posted. The Plan should remain posted for the life of the included projects.

www.gncufsd.org

5. Your school's Smart Schools funding appropriation is:

\$108,504

6. Enter the budget sub-allocations by category that you are submitting for approval at this time. If you are not budgeting Smart Schools funds for a category, please enter 0 (zero.) If the value entered is \$0, you will not be required to complete that survey question.

Classroom Learning Technology Equipment (Devices)

**1. Describe the devices you intend to purchase and their compatibility with existing or planned platforms or systems.**

Replacement of 15-interactive smart-boards with LED capacity.  
 Create a 1:1 system/initiative utilizing Acer Notebooks for students across all subject areas  
 Charging carts will be utilized for security, charging, organization, and safety of the hardware devices. We work with our local BOCES and Regional Information Center to align our systems, and insure compatability between hardware, network, and software. The SSBA funding will provide instructional technology opportunities within the classroom as well as teachers having the 21st experiences within.

**2. Describe how the proposed technology purchases will improve teaching and learning inside or outside of the classroom.**

All teachers will have equitable access to interactive teaching as well as student-centered engagement with the interactive boards. In addition, all students will have 21st century access and ownership of their individualized teaching/learning processes. Designing a 1:1 initiative allows personal ownership and connection to both the learning process as well as curricular materials.

**3. To ensure the sustainability of technology purchases made with Smart Schools funds, schools must have a plan to maintain and support technology purchases reimbursed with Smart Schools funds. This sustainability plan should support recurring costs of use that are ineligible for Smart Schools funding such as device maintenance, technical support, Internet and wireless fees, maintenance of hotspots, staff professional development, building maintenance and the replacement of incidental items.**

By checking this box, you certify that the school has a sustainability plan as described above.

**4. Schools must ensure that devices purchased with Smart Schools funds will be distributed, prepared for use, maintained and supported appropriately. Schools must maintain detailed device inventories in accordance with generally accepted accounting principles.**

By checking this box, you certify that the school has a distribution and inventory management plan and system in place.

**5. Schools must contact the SUNY/CUNY teacher preparation program that supplies the largest number of its new teachers to request advice on innovative uses and best practices at the intersection of pedagogy and educational technology.**

By checking this box, you certify that you have contacted the SUNY/CUNY teacher preparation program that supplies the largest number of your new teachers to request advice on these issues.

**5a. Please enter the name of the SUNY or CUNY Institution that you contacted.**

University of Albany

**5b. Enter the primary Institution phone number.**

518-442-5092

**5c. Enter the name of the contact person with whom you consulted and/or will be collaborating with on innovative uses of technology and best practices.**

Dr. Jason Lane
