

**Individuals with Disabilities Education Act Sections 611 and 619
Article 81 School Allotments for the 2023-2024 Program Year**

The calculation of IDEA Section 611 and Section 619 federal funds for each LEA includes counts of students with disabilities placed by the courts, local departments of social services, or other State agencies, and provided educational services pursuant to Article 81 of the Education Law, of each Article 81 school located within the LEA's boundary. The IDEA allocations received by these LEAs include additional funds based on the population of students attending Article 81 schools located in the district.

LEAs with an Article 81 school within its boundaries must provide an amount equal to the additional allocation, identified below, to each Article 81 school. Use of the SEDCAR-2 form has been discontinued.
