

Verification Report 8  
 District Report of School Age Students by Building Where Enrolled  
 (On October 7, 2015)

To view the description of the report including SIRS codes please [click here](#).

**Directions:** Please review the data below to verify that this report represents all school age students with disabilities (aged 4-5 and 6-21) for whom your district has CSE responsibility and who were provided special education services in the building of enrollment listed below on the snapshot date. The links below the numbers in each cell provide a list of students that meet the criteria to be included in the report. Also, please review your school district's report of students excluded from this report. **If corrections to this report are needed, please resubmit your district files with the necessary corrections to the Regional Information Center (or the data warehouse for large cities) before the certification due date.**

Each district or school listed below will be able to view the number of school age students as reported by your district on that district or school's VR9. The VR9 does not show the students' names. The district or school may contact your special education office if their record of the number of students from your district does not match your report of the number of students in their school.

For your information, each school listed below will be able to view a report of the number of school age students as reported by your district. They will not be shown the students' names. They may contact your special education office if their record of the number of students from your district does not match your report of the number of students in their school.

**Building of Enrollment: [SED Code] [Name]**

Line Number	Educational Environment for School Aged Students Ages 4-21	Age Range
