Parentally Placed Students with Disabilities in Nonpublic Schools Located in the School District Who were Evaluated During the 2022-23 School Year for Initial Determination of Special Education Eligibility and Services for those Found to be Eligible

(Based on Referrals Received Between July 1, 2022 and June 30, 2023, and Status of the IEP Implementation as of August 31, 2023)

About this Report

This report displays data on parentally placed students in nonpublic schools located in your school district who were referred for evaluation of eligibility for special education services, and, of those, the counts of students for whom parental consent to evaluate was received, students found to be eligible, and eligible students whose IEPs were implemented. The data elements that are displayed in this report are from the Special Education Events template for a chain of events that begins with Event Type code CSENPO1 (receipt of initial referral to the CSE of a parentally placed student in a nonpublic school). The following templates (or tables) are also used: Student_Lite (Student Demographics); and School_Enroll (Enrollment).

Students who meet the following criteria are included in the report:

- Enrollment record between July 1, 2022 and June 30, 2023
- Enrollment record with reason for beginning enrollment code 5905
- Building of Enrollment code that is valid in SEDREF
- Any of the following Special Education Event records are submitted:
 - CSENPO1 - receipt of initial referral
 - CSENPO2 - receipt of written parent consent to evaluate the student
 - CSENPO3 - CSE meeting to discuss evaluation results
 - CSENPO4 – IEP, IESP, or SP implementation

Directions

1. Review the data to verify that this report represents all students parentally placed in nonpublic schools for whom your district had CPSE responsibility and who were evaluated to determine eligibility for special education programs and services during the school year. Click on the number in the right column of each row to see the list of included students. You can also view and download the list of included students from the main menu in PD System by navigating to "EOY Reports," then VR14, then choosing "Inclusion EOY Reports VR14."

2. Review the list of potential students under "Potential EOY Reports VR14" to verify that these students do not meet the criteria to be included.

3. If data in this report is inaccurate and needs to be revised, please submit the revised data to your Regional Information Center (RIC) or, for large cities, to the state data warehouse prior to the certification due date. Check with your RIC on their deadline for submitting data to ensure that the data is refreshed in PD by the certification due date. The RIC deadline will be in the week prior to the certification due date. **Revised data must be submitted in time to be refreshed in PD prior to the certification due date. Data will be locked in PD after the certification due date.**

4. Certify the data as accurate after you have reviewed the data and made any necessary corrections.

Below is a description of the criteria for including student records in each cell of the four rows of data in this report.
