From: Kathleen R. DeCataldo 

Subject: Report of School Closure and Report of School Re-Opening 2021-22 School Year

Report of School Closure

Pursuant to Education Law §215 and [Commissioner's Regulation 155.17\(f\)](#), each superintendent of a school district, every board of cooperative educational services (BOCES), county vocational education and extension board, the Chancellor of the City School District of the City of New York, and each charter school leader shall notify the Commissioner immediately when the emergency plan or building-level school safety plan is activated resulting in the closure of a school building, and shall provide such information as the Commissioner may require using the *Report of School Closure*.¹

For the 2021-22 school year, notification must also be provided to the Commissioner for snow emergency days, including those days converted to remote instruction under the [2021-22 snow day pilot extension](#).²

This reporting requirement includes, but is not limited to:

- Closure due to threat of violence or harm to the school or school community;
- Closure due to a water main break;
- Closure due to a pandemic; and/or
- Closure due to extraordinary adverse weather conditions.

Report of School Re-Opening

When it is determined that it is safe to re-open a school building after an emergency closure each superintendent of a school district, every board of cooperative educational services (BOCES), county vocational education and extension board, the Chancellor of the City School

¹ Charter schools are required to meet these requirements pursuant to Education Law §§2853(2), 2854(1)(b) and Commissioner's Regulation 155.17.

² For information on the 2020-21 Snow Pilot and reporting please see the January 6, 2021 memo [Reporting Snow Days in School Year 2020-21 Using the Report of School Closure and Report of School Re-Opening](#)

District of the City of New York, and each charter school leader shall notify the Commissioner via the NYSED *Report of School Re-Opening*. The [snow day pilot](#) requires that the Chief Executive Officer (CEO) of the aforementioned entity report when snow emergency days are converted to remote instruction using question #4 of the NYSED *Report of School Re-Opening* which collects the location and means of instruction, if any, that occurred during an emergency closure.

Accessing and Submitting Reports

The *Report of School Closure* and the *Report of School Re-Opening* are available in the SED Monitoring and Vendor Support System application via the NYSED Business portal. More information on the reports, and how to access them, is provided in Attachment A.

If you have questions about the *Report of School Closure* or *Report of School Re-Opening*, please contact the Office of Student Support Services at SSEC@nysed.gov or (518) 486-6090.

Please note that these reports are intended to provide immediate notification to the Commissioner regarding an emergency closure and subsequent reopening. Each reporting entity will additionally be required to submit information via the calendar the entity completes for state aid purposes. All closures during the 2021-22 school year will need to be accurately reflected on the 2021-22 calendar spreadsheet that the reporting entity will be required to submit in September 2022 as a part of its SAMS Form A submission. For additional questions on the spreadsheet and SAMS process, please contact 180days@nysed.gov.
